	Magnificent English sterling silver neoclassical five piece George III tea and coffee set including the coffee pot, teapot on original stand, milk jug and sugar basket, in fine condition with crisp engraved decoration, in the neoclassical style. It is unusual for Georgian teaset to be all original and matching, specifically those including the coffee pot and teapot stand. Most such sets offered for sale are examples of pieces assembled by the trade as the original complete sets were usually divided between the children of the original owner. This is a complete and original teaset. This set is made by the famous partnership of John Emes and Henry Chawner in 1776. The set is offered with a period oval two handled tea tray by lady silversmith Elizabeth Jones, specialist tray maker, dated 1790., Title: sterling silver five piece tea and coffee set, Start price: 10500		A magnificent and very crisply decorated English sterling silver Gothic inspired bead edge Victorian christening mug, by Henry Lias of London, hallmarked London 1861, Title: English sterling silver christening mug, Start price: 700
